Other Lawn and Landscape Water Use Rules – *Potable, Private Well, and Surface Water Sources*

- Hand watering of non-lawn landscape is allowed any day, at any time. An automatic shutoff device (hose nozzle) must be installed on your hose and used at all times.
- Hand watering of lawn/turf is restricted to designated hours on assigned days (see above).
- Micro-irrigation (low-flow or drip irrigation) is allowed any day, at any time.

Enforcement of Watering Restrictions

St. Petersburg continues to enforce watering restrictions. First-time violations observed by enforcement personnel will result in the issuance of a Warning Notice. Subsequent violations will result in a Class II municipal ordinance offense that is subject to a \$180 fine, plus court costs. Court costs range from \$13 for uncontested violations to \$58 for contested violations. Subsequent violations are subject to higher fines as assessed by the court up to a maximum fine of \$500 plus court costs. For additional information, call the Water Watch Info Line at 892-5300.

Americana Cove is not responsible for your sprinkler operation. It is advisable that sprinklers in the ground have concrete donuts placed around them to avoid being broken by the lawn mowers. The lawn service company is responsible for any damage done to sprinkler heads, concrete donuts etc. and will be replaced. Please call the office to report any damage.
